1. Our brand

Orgtik helps teams across Egypt and the GCC organise their work, files and customers in one connected suite. Our brand is confident, clear and warm - a calm operator in a noisy market.

Logo usage

- Use the full lockup on light backgrounds, the icon on small surfaces (under 32 px)
- Keep clear space equal to the height of the 'O' on every side
- Never stretch, rotate or recolour the logo outside the palette
